

You are studying MA/MSc Innovation Design Engineering, a 360-credit programme based in the School of Design during the academic years 2022/23 and 2023/24. This is an indicative overview of your programme, the final details will be confirmed in your handbook after registration.

Term 1

5 September – 16 December

AcrossRCA
(30 credits)

IDE Fundamentals
(15 credits)

Cyber Physical Systems
(15 credits)

Transdisciplinary Practices
(15 credits)

Term 4

5 September – 16 December

Professional Consolidation Part 2
(15 credits)

Transdisciplinary Teamwork and
Leadership
(45 credits)

Term 2

3 January – 14 April

Grand Challenge
(15 credits)

Regenerative Materials,
Structures and Aesthetics
(15 credits)

Impact
(15 credits)

Term 5

3 January – 14 April

Context Exploration
(15 credits)

Iterative Development
(30 credits)

Elective
(15 credits)

Term 3

2 May – 11 August

Sustainable Systems
(15 credits)

Agency & Implementation
(15 credits)

Professional Consolidation Part 1
(30 credits)

Term 6

2 May – 11 August

Validated Delivery - Master's
Project
(60 credits)

Your programme also includes a programme-specific showcase. For MA/MSc Innovation Design Engineering, the intended output is in the form of planning and production of an exhibition and participation in a symposium, a presentation and a viva voce examination as part of your Independent Research Project.

Your programme will take on average 3600 hours to complete, roughly 40 per week.

This includes 2844 independent study hours and 756 contact hours.

Contact hours include tutorials, expert technical services support or scheduled reading sessions.

YOU HAVE ACCESS TO WORLD LEADING FACILITIES AT OUR CAMPUSES IN BATTERSEA, WHITE CITY AND KENSINGTON

Opening Hours & Campus Closure Dates

Battersea & Kensington

09:00 – 22:00 Monday to Friday, 10:00 – 20:00 Saturday (term time)

White City

09:00 – 20:00 Monday to Friday (term time)

Specialist facilities / Technical staff support

09:30 – 17:30 Monday to Friday (term time)

Library in Kensington

09:00 – 22:00 Monday to Friday, 12:00 – 17:00 Saturday & Sunday (term time)

At each campus, students have access to catering, social study space, bookable study space and computer lab access. There is a free shuttle bus service operating throughout term time connecting our 3 campuses.

Opening hours differ outside of term time and our campuses and buildings are closed during UK holidays on the following dates during the 2022/23 academic year:

- 24 December – 2 January
- 6 April – 11 April
- 1 May
- 29 May
- 28 August

Technical Services

You will have a shared studio workspace and have access to craft and technical workshops in your campus. Find out more on [our website](#).
